Dear Wayne,

It's hard to think of something to say to you. your fabulous sense of humor will carry you far and so will your brains. God Bless you and may He help you along the road of life.

Love,
Judy McCulloch

To a person for whom I have a great deal of respect and would like to consider among my best friends. In your own way, I know that you will achieve a great deal in life, by a set of standards which I suspect are completely foreign to those around you. Beatrice

Beatrice said it all for me! Don't grow a big nose over the summer, that would really be playing the part! Best wishes Bill Carroll

Wayne
I tryed to get president for you. Oh Well, Lots of luck in your senior year. You'll need it if you compare with us. Your devoted friend

Activities

Our football team

Our Pep

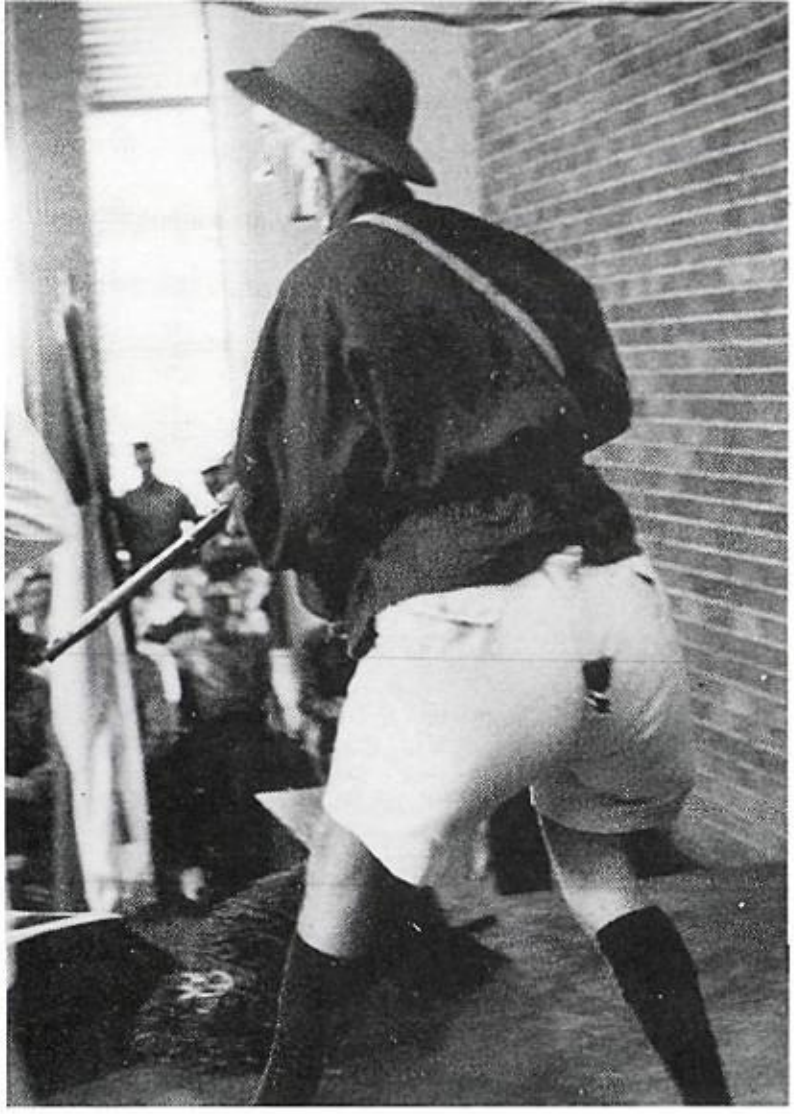
We had an addition to the B.A. spirit this year, the pep squad.

"Victory, Victory, is our cry."

Assemblies

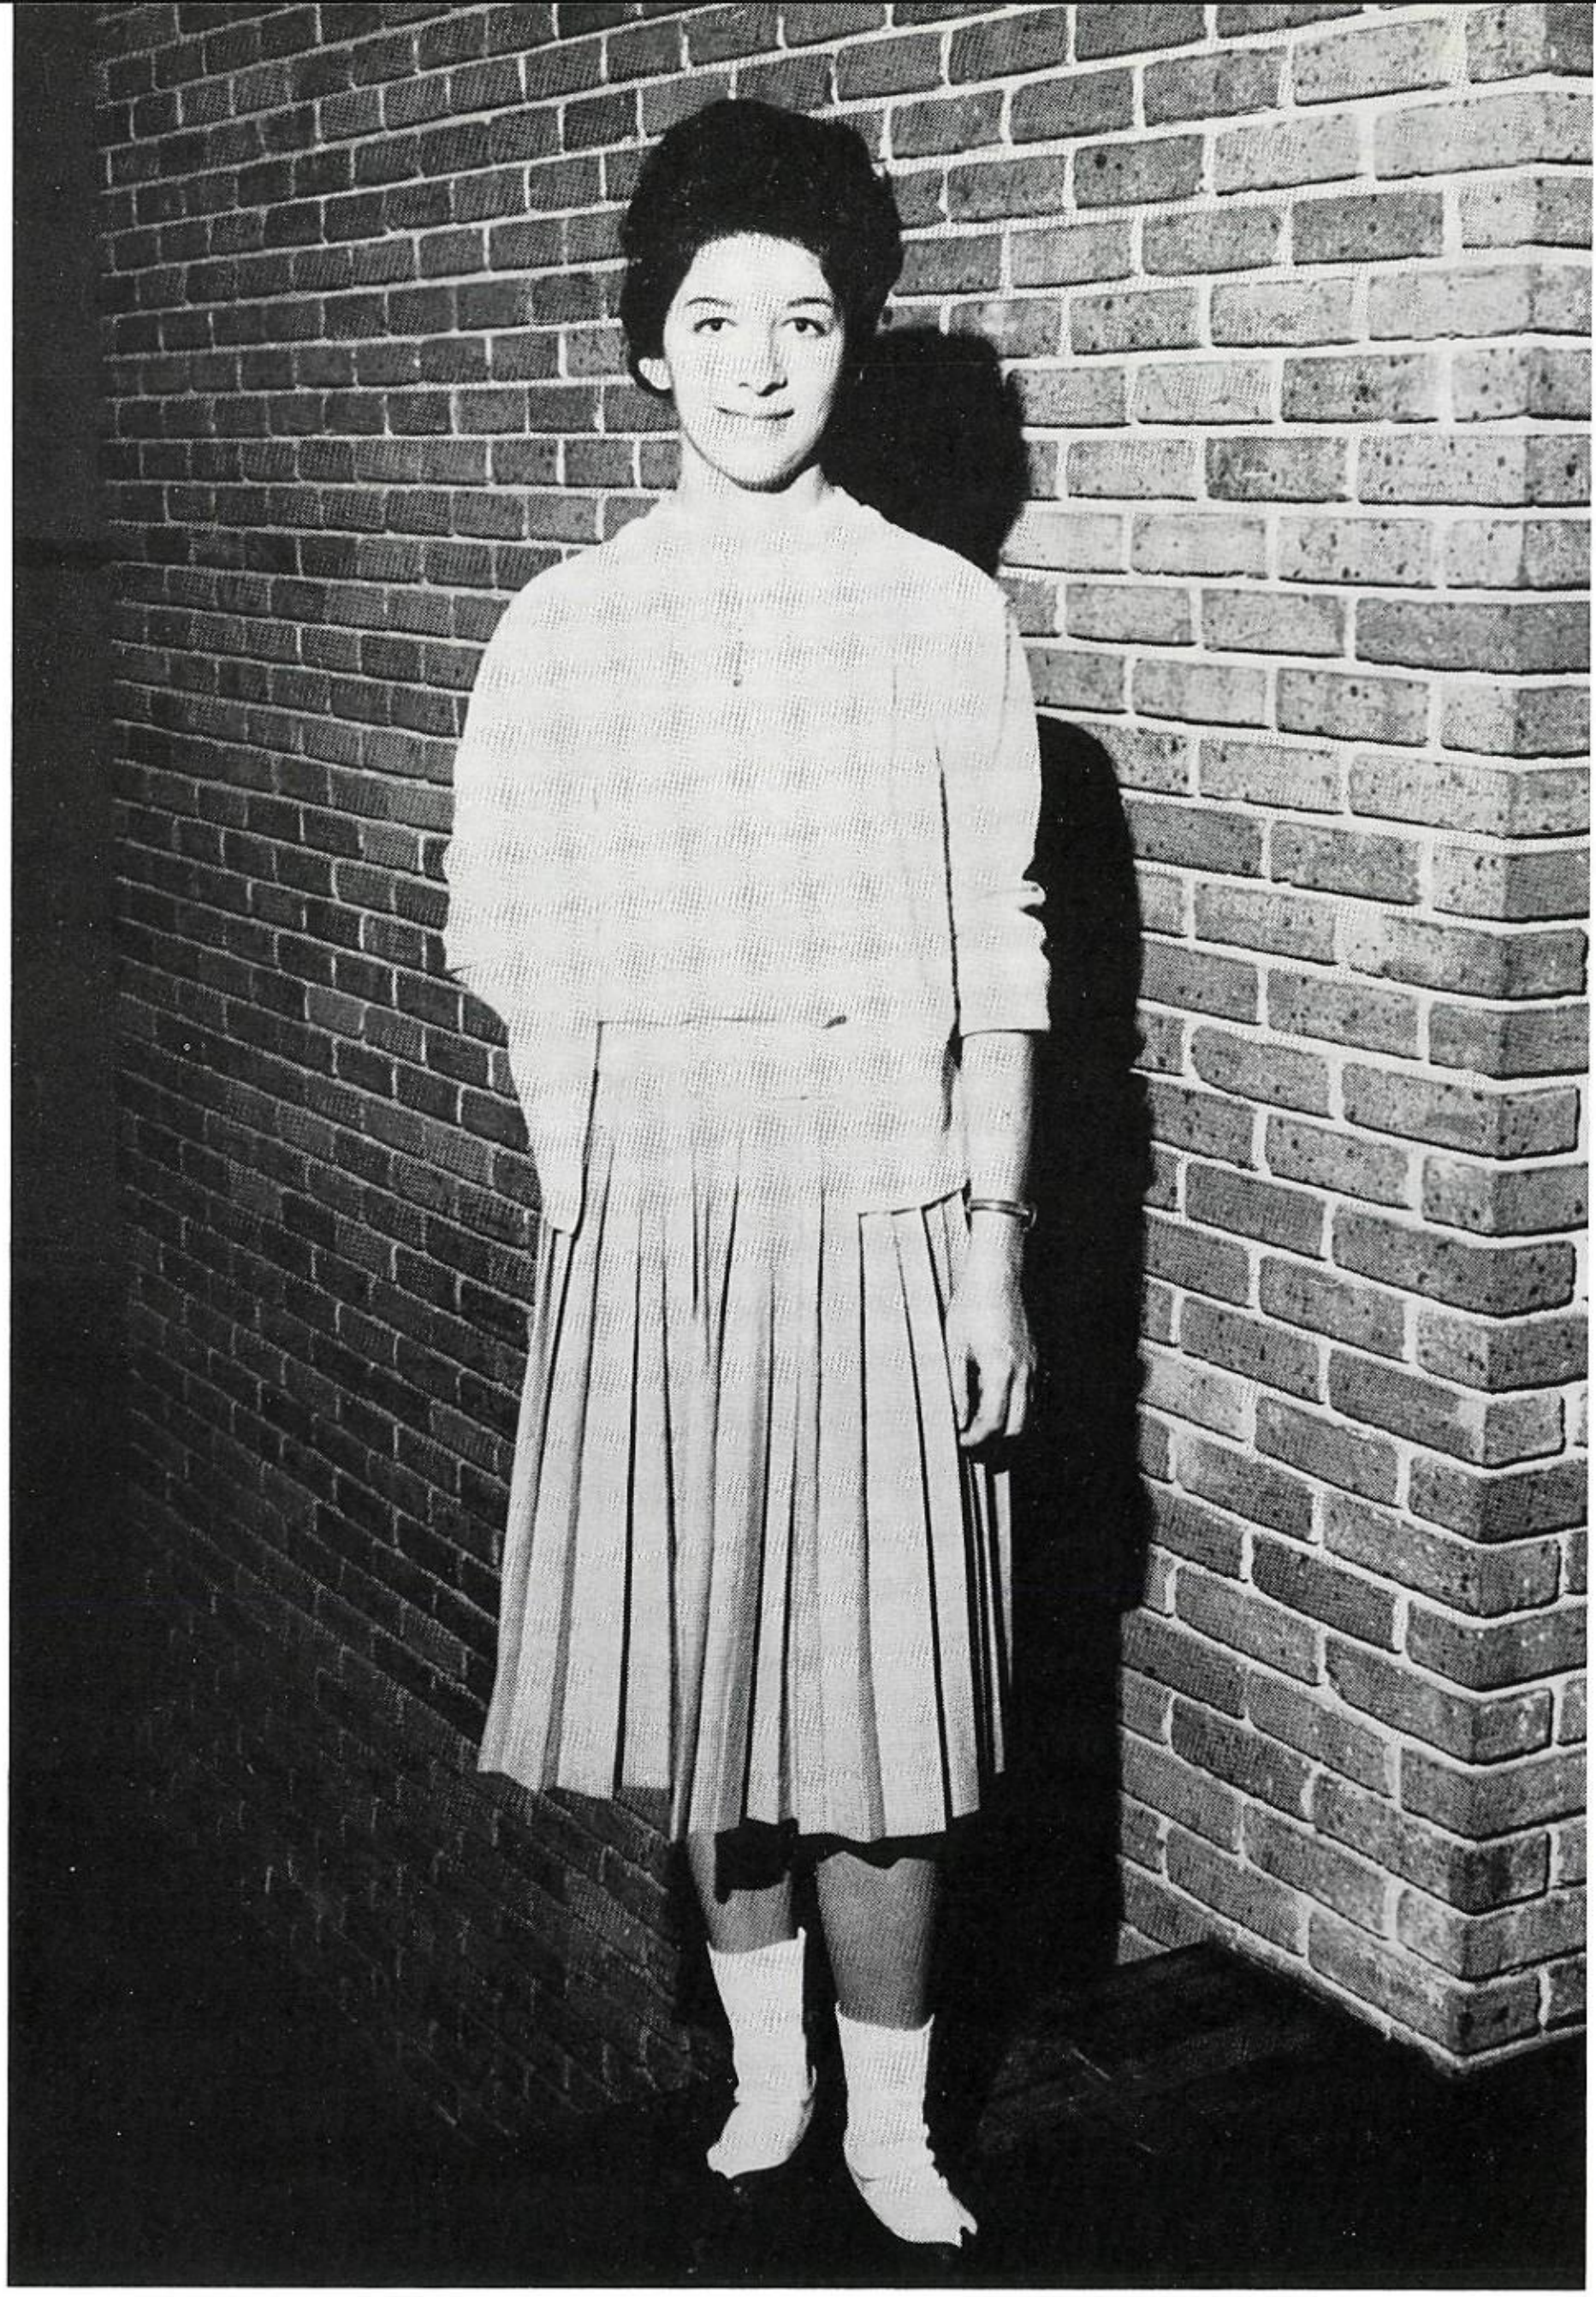
The Belles made the Sunset Assembly a bigger success.

The majorettes led by Glenda Lewis.



Always something new and different

Then there's the old "stomp clap."



This year our Homecoming Queen was NICOLE ROMANET.

Homecoming Dance

P T A

A pleasant surprise

"Would you like to be queen for a day?"

"Pearls have strange functions."

Assembly

"Mothers will be mothers."

"It's the newest from Revlon."

"What saxy music."

Variety

Curtain

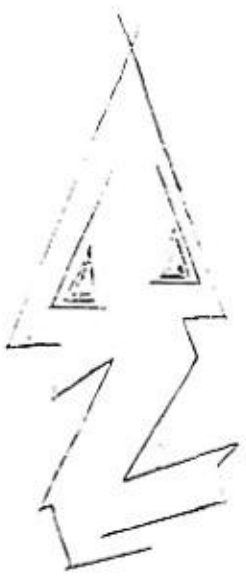
"Of corpse, of corpse"

This year's Variety Theater proved to be the best one-act plays ever presented to B.A. The first play, "Nobody Sleeps," involved comedy and mystery. "Bull in a China Shop," was a play about six love-sick old ladies and a crush on a handsome detective, Sgt. O'Finn. The last, "Sun Stroke," was a fun-for-all comedy with a rain party as the center of attraction.

"It looks like it might be beeer!"

Theater

call



"I just LOVE surprise parties!"

"If I want a turkey sandwich, I'll fix it myself."

Christmas Program and Breakfast

Mrs. Harrison, the chorus director, leads the annual Christmas assembly

Presents, presents everywhere; open only if you dare.

Annual Workshop

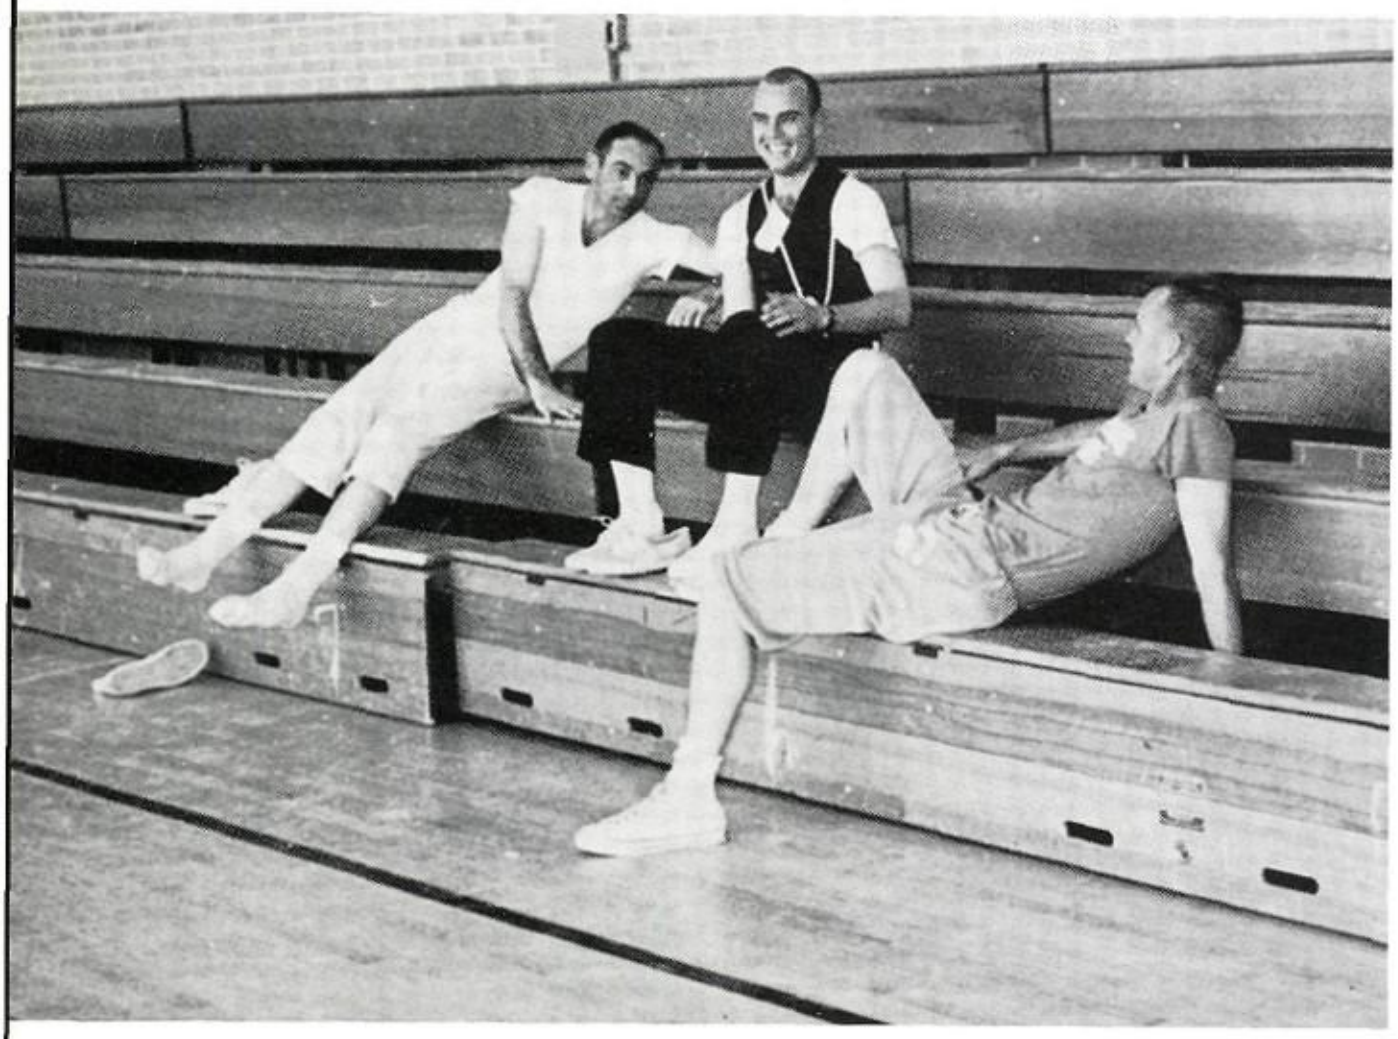
Tuesday afternoon is the scene of the future annual staff members.

Valentine Breakfast

What do you mean you don't understand your students?

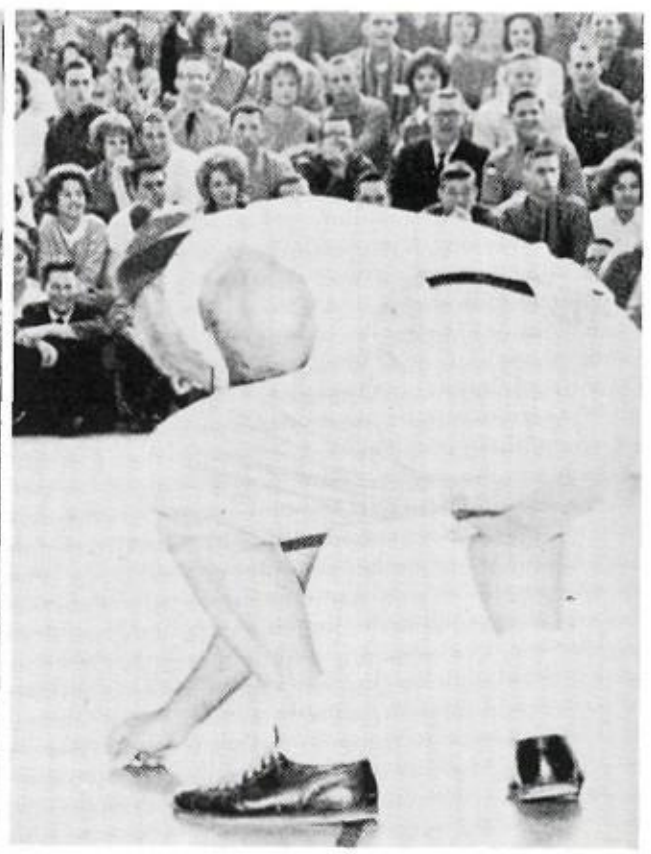
Gigg 'em, Froggie!

Coach Cowsar really cleans up!



OLD TIMERS Basketball Game

Seven come eleven.



An alert referee

Twirp Dance Decorating

"Well, don't just stand there, do something."

Welk's bubble machine?

"Just a little dab will do it."

Twirp

From Mars comes the first place winners, Robert Parker and Kathy Coker.

Second place winners from the land of Arabia are Richard Switzer and Yuvonne Hill.

From the Ozarks come our third place winners, Mack Hargrave and Martha Hudkins.

Dance

Sweetheart Coronation

SCHOOL SWEETHEART
Miss Karen Adams

JUNIOR PRINCESS
Miss Karen Smith

SOPHOMORE DUCHESS
Miss Kitty Thomas

These are symbols of our faculty that we shall never forget.

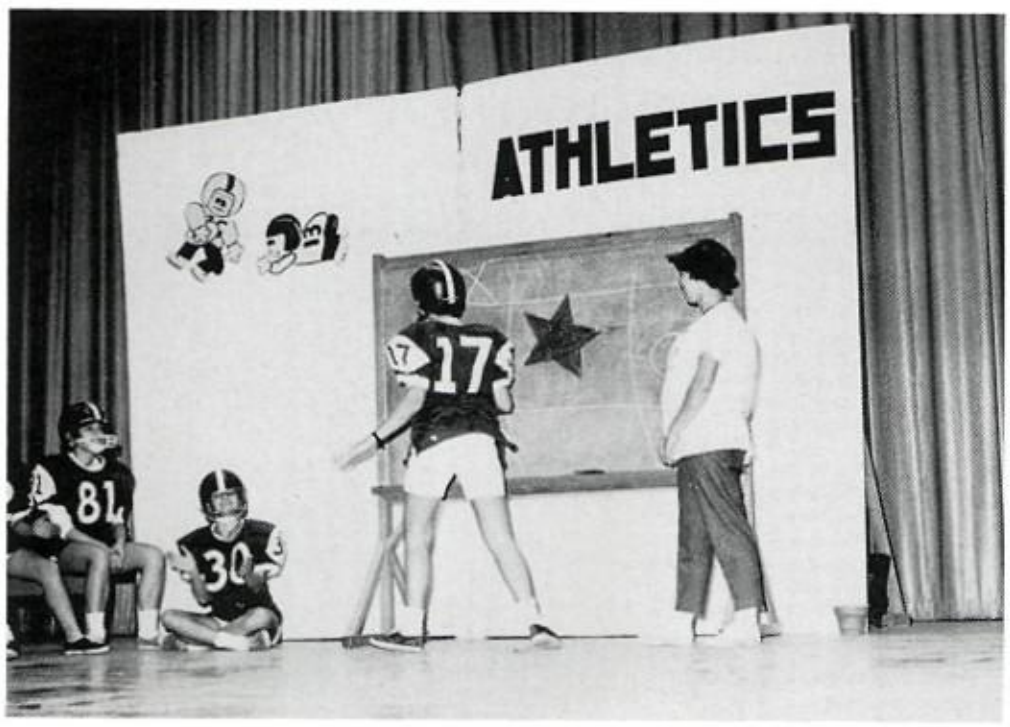
Mass confusion

Skull practice was never like this . . . (Or was it!)

Assembly

The B.A. Kick was executed by:
Carl Smart, Mike O'Connor, Paul Weaver, Jerry Martin, and Richard Switzer.

"Apple jelly, Sirrrrr!!!"



Remember when . . .

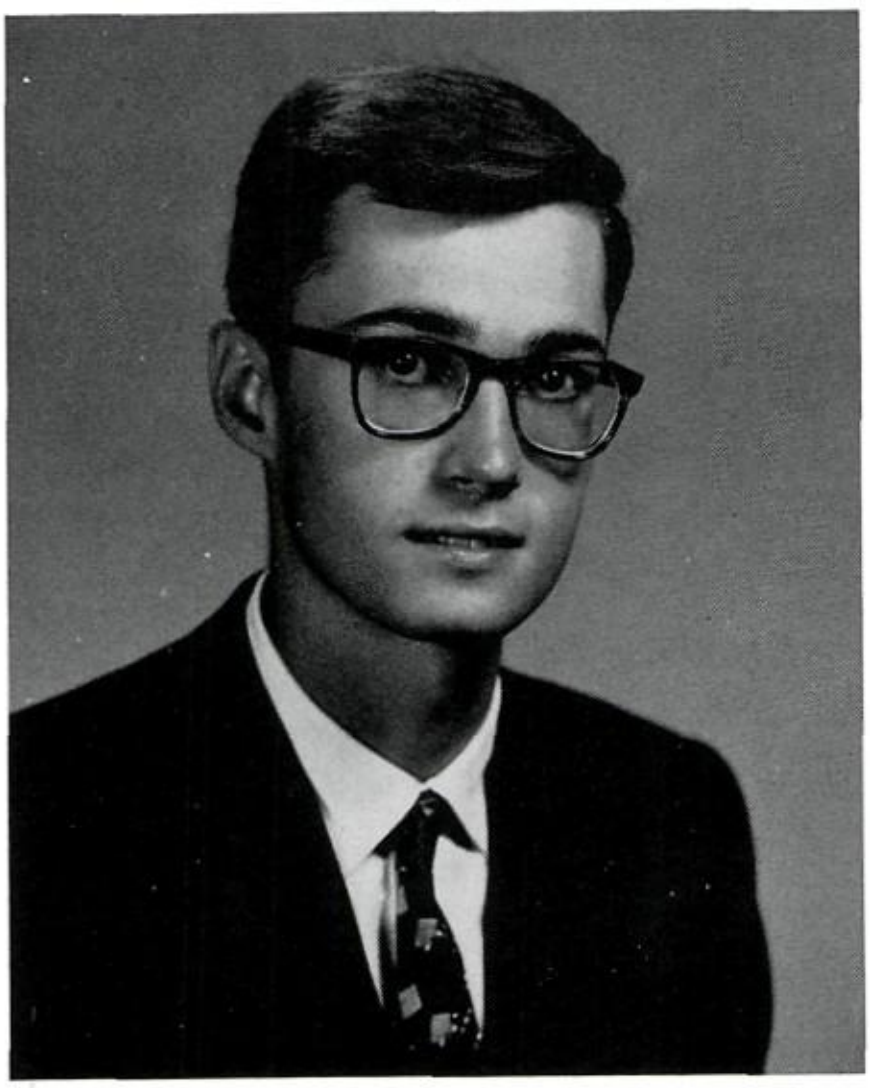
Foreign Exchange Students

Nicole Romanet is from Paris, France, and she is staying with Patsy Nation. Nicole, a 5' 3" beauty, finds that American and French teenagers are quite different. In Paris, lipstick is considered quite unfashionable while here it is almost a necessity. The thing that differed most was that the students in France walk everywhere, while here many teenagers have their own cars. Nicole said "I think it is wonderful."

NICOLE ROMANET



ERDEN ALPTUNA

Erden Alptuna is from Turkey, and he is living with Mike McCauley. Erden found several things that he liked about Bryan Adams. He said that it was big, and that he especially liked his teachers. He said that he liked the pep assemblies, the cheerleaders and make-up on the girls.

Pride of

B A B

YOU BETTER BE THERE! TEN-CHUT!
This familiar refrain may be heard at any of the Belles' eight o'clock practices. How could we ever forget their spectacular performances at all the football games, the B.A. kick, or their flashy parade routines? The Belles will never forget marching in the Cotton Bowl Parade, marching in the State Fair Parade of Music, or their annual banquet.

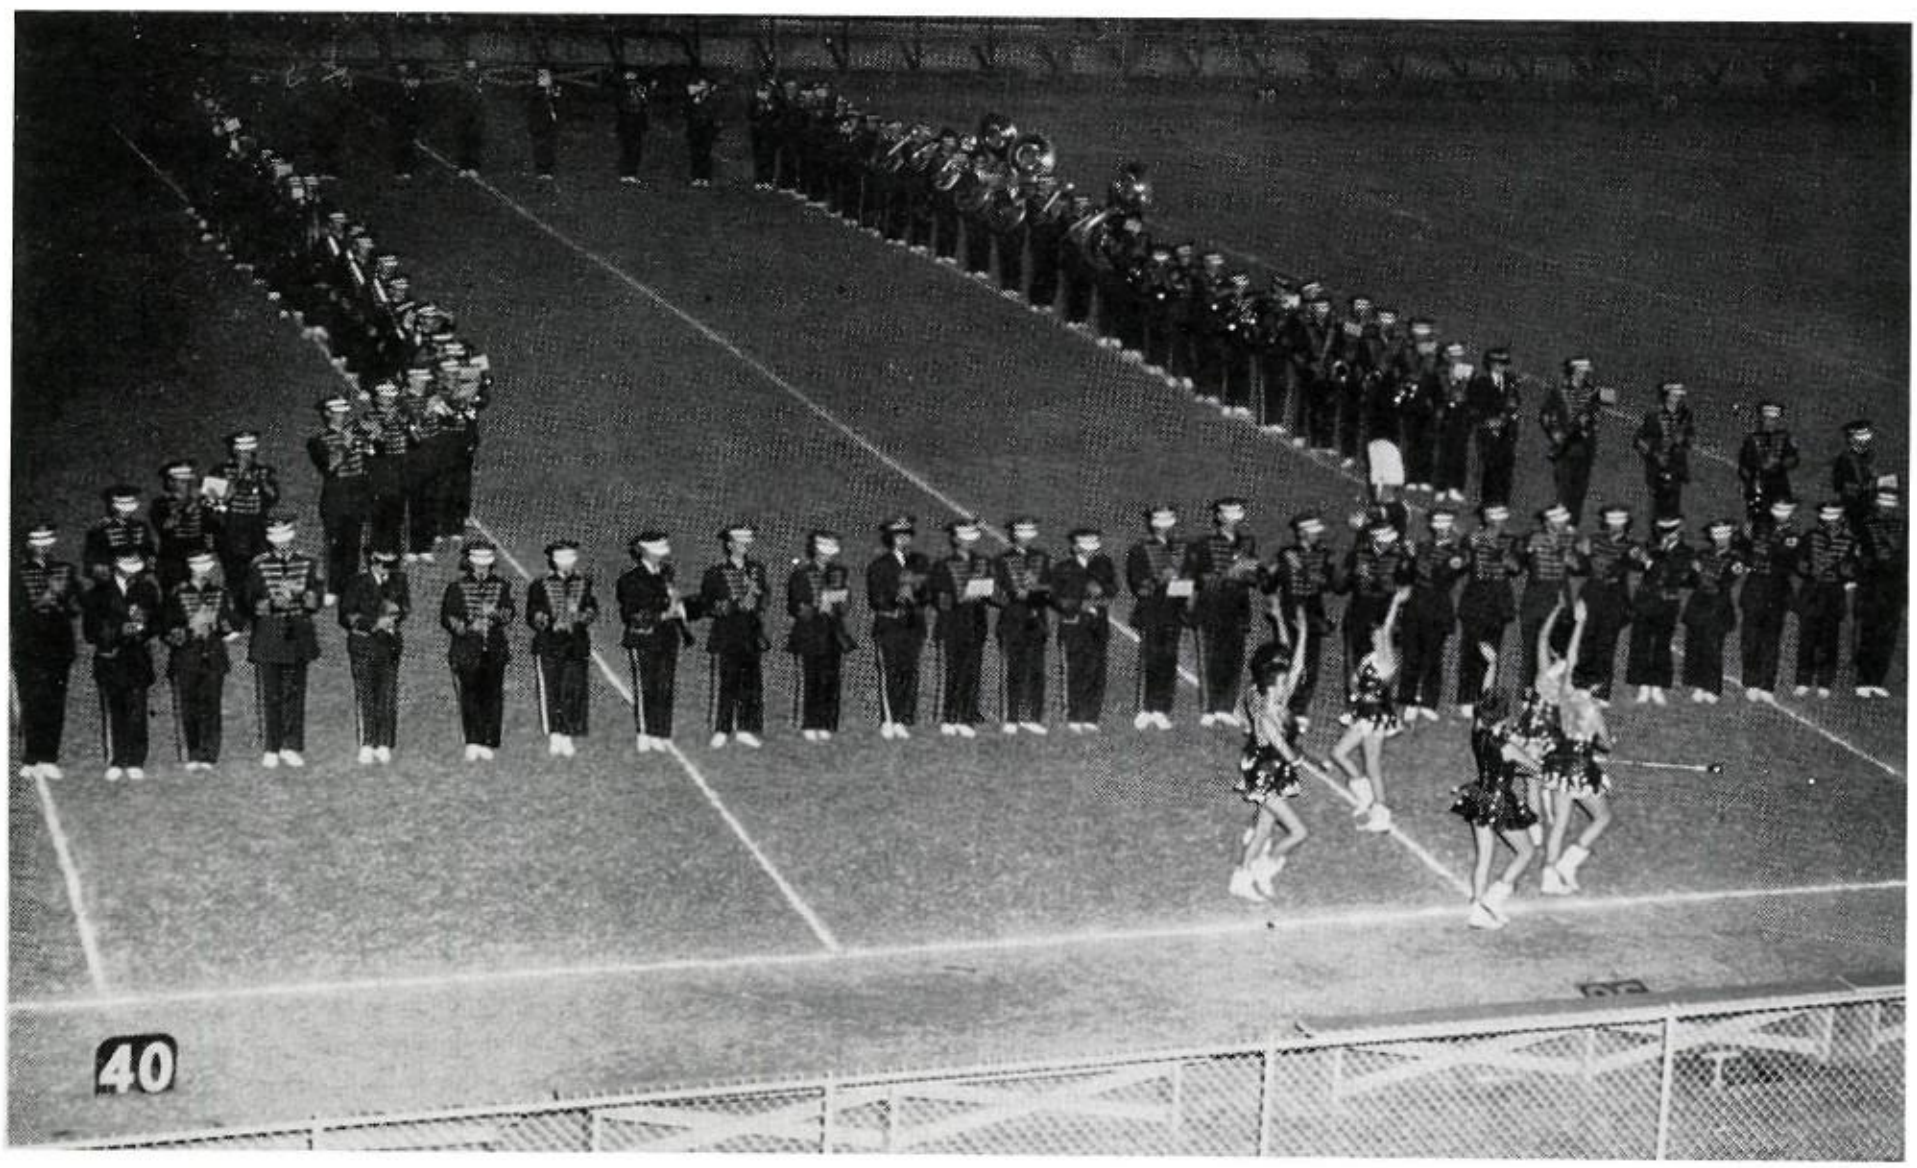
1961 Bryan Adams

The perfect girl.

The 134 piece Cougar Band "said it with music" in 1962 with spirited tunes at pep rallies and football half-time shows. The players brought prestige to our school with their exhibitions of talent at concerts, parades, and assemblies. Much work during summer band rehearsals and 8:00 A.M. practice sessions went into their many performances. Superior work done by various members was rewarded by playing with the Regional and the All-State Bands.



The Bryan Adams Band and Majorettes pay tribute to the Belles.

Bryan Adams Majorettes

Who puts the sparkle in the halftime shows? Our seven majorettes with their green sequin uniforms. For parades and military performances, they use a white and green uniform. Their appearances consist of twirling, strutting, acrobatics, and dance routines. Much preparation is put in to their performances with summer meetings, Southern Methodist University Twirling School, and early morning practices.

Also, their Tuesday morning meetings have solved many of our school problems.

The Library Council exists for three reasons: to improve the services of the library, to provide an organization in which the students might participate, and to provide a liaison between the library and the student body. It meets once a month, and only the students who have worked in the library are eligible for membership. The club's motto is "volens et potens," meaning "willing and able."

The purpose of the Future Nurses Club is to promote a genuine interest in nursing. The only qualification for membership is a desire to learn about medicine. Meeting the first and third Tuesday of each month, the club's program includes speakers, films, and trips to such institutions as Baylor Hospital and the Health Museum. It has recently adopted a needy family in the Pleasant Grove area.

The aim of the Bryan Adams Historical Society has been to enrich its members' knowledge of history, to furnish a more vivid cultural background of our nation and the world, and to promote specific interest in this field, gaining a finer and fuller appreciation of our American Heritage and our present-day life as well. The society's interest upon scholarship, particularly in its historical category, is exemplified by the fact that all its members must maintain a consistent honor roll status in their study of history.

Highlights in the curriculum are the Christmas party (pictured right and left), the annual field trip (The society has traveled to Jefferson City, San Antonio, and Vicksburg in the past, and has planned a trip to New Orleans for this year), and the Assembly presented each year during Texas Education Week.

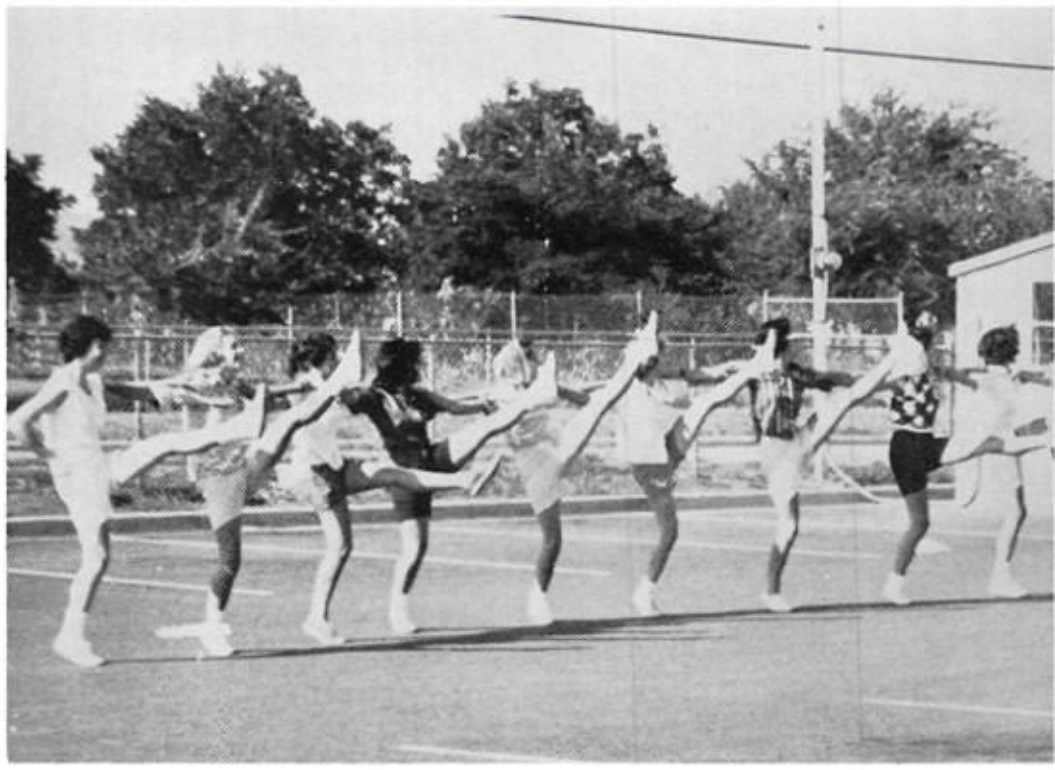
Seniors

1962

This Is Your Life, Seniors of 1962

Charco's was our summer hangout and as school approached our midnoon snacks came to an end.



These people will long remember all of the many hours of sweat and hard practice that went into our halftime shows during football season.

On the opening day of school, the halls were filled with excitement, especially for us seniors!

The right atmosphere was set by our many coke parties

Spirit, spirit everywhere and not a drop to spare

No football player would have been ashamed to be seen with any of Homecoming nominees

We seniors know that even when the chips were down, the cheerleaders kept our spirits high.

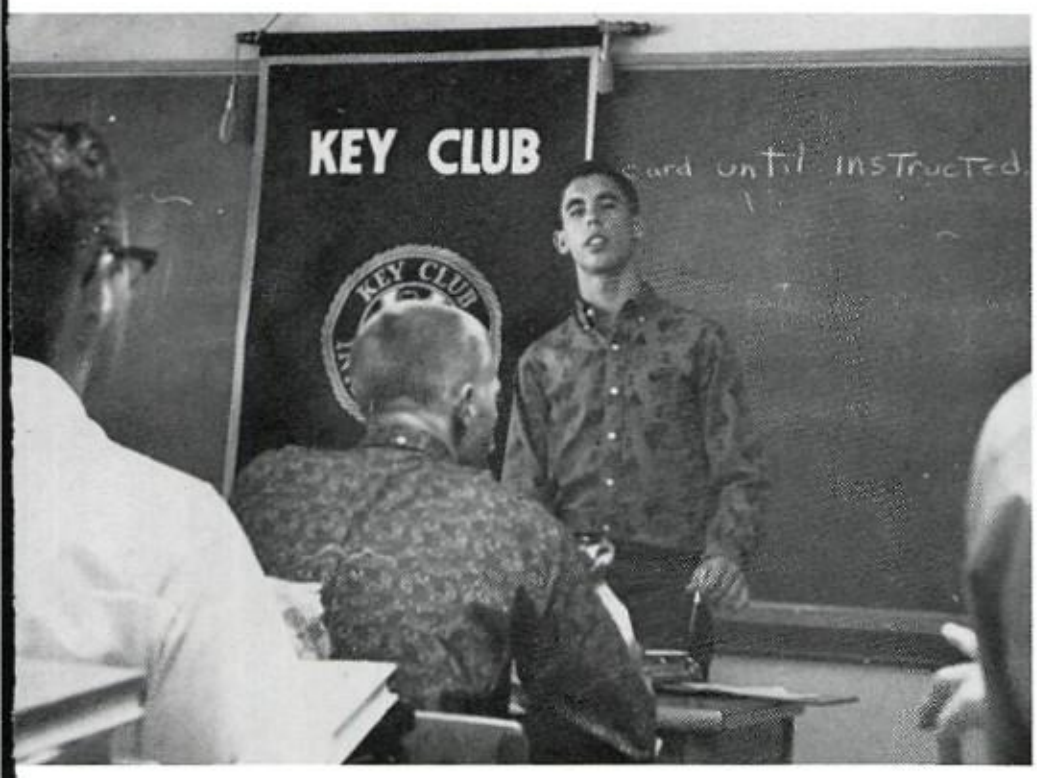
Galen Freeman alias
Louis Armstrong

The crazy antics and skits of our cheerleaders will never be forgotten by seniors.

The Belles and their routines made the pep assemblies complete.

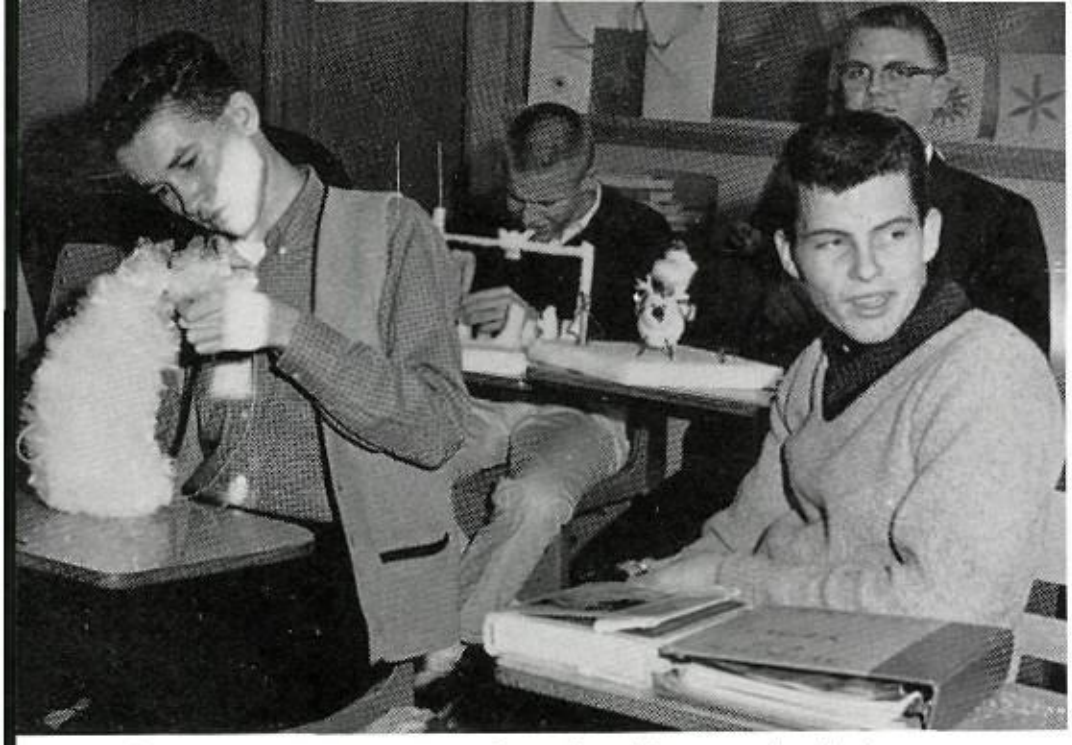
Rain, sleet, mist, or snow, never kept our band, drill team, and cheerleaders from the show.

Remember our first *big* senior meeting?



Who will ever forget the early, early morning club meetings!!!

Fair Day brought us our first welcomed holiday



Seniors were never at a loss for things to do during exams.

Basketball gave us some exciting evenings.

Twirp Dance

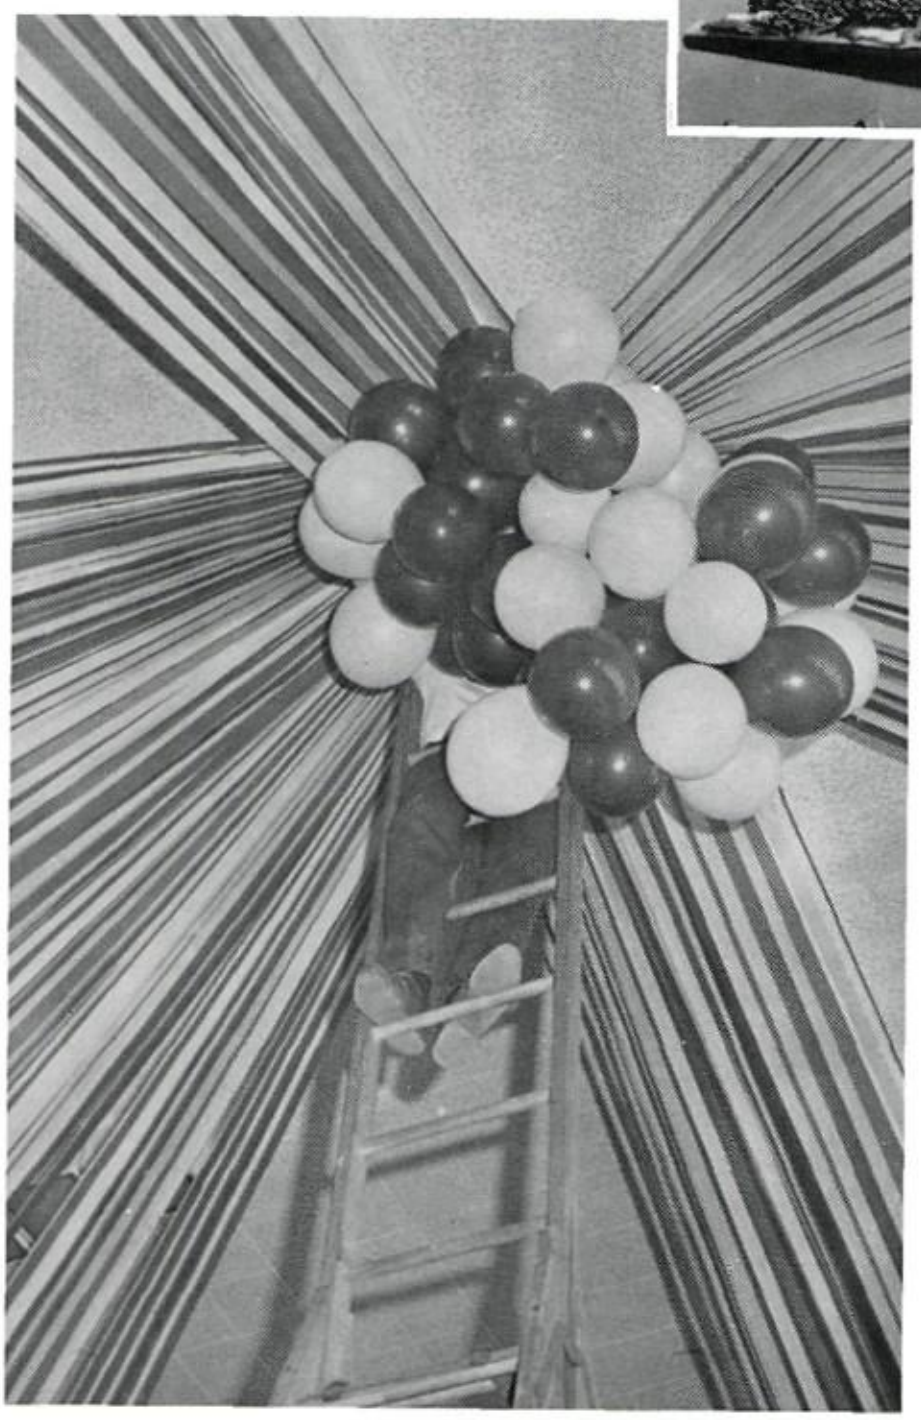
Yosemite Sam and Bugs

Caesar and Cleopatra

The coronation proved to be exciting as well as very glamorous.

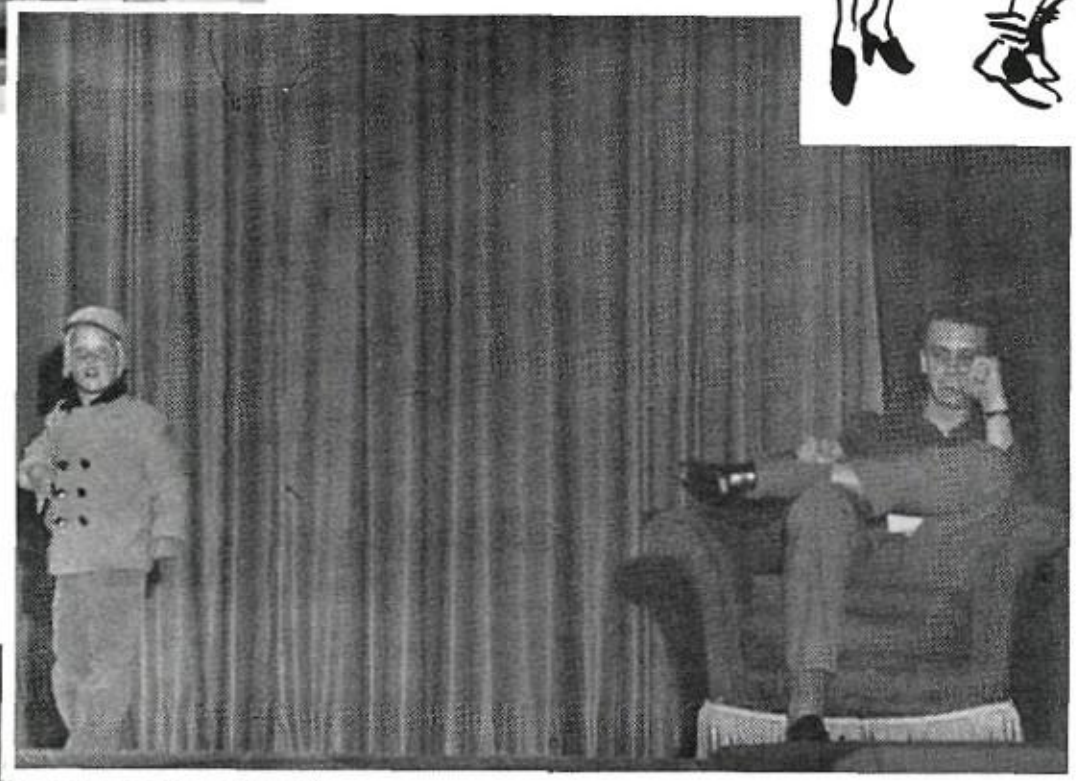
No!, Seniors can't be exempt from detention hall!!!

Mid term brought all of those dreaded term themes and projects for us seniors.



Seniors went all out in decorating for all of our school dances.

And we owe it all to our teachers (?)



Remember Johnny???

Graduation really isn't all that sad.

The end to a perfect day.

This has been your life, seniors of '62. Take a good look now, for through these halls you will walk no more.

MEMORIES, MEMORIES, MEMORIES

Graduation will soon be here,
As we near the closing year,
Happy memories of days gone by,
They're all part of Adams High.

Teenage dances were so much fun,
Football games we lost and won,
Charco's drive-in was do or die,
They're all part of Adams High.

Meetings in the hallways,
Between each class;
Walking home after school;
All the exams we didn't pass,
The teachers we could never fool.

High school picnics and Senior Day,
Filled with laughter all the way.
But in secret our hearts will cry,
On the day, we say goodby to

ADAMS HIGH.
